"the thrill of victory and ...

... the agony of defeat."

"Quitting comes easy for many people. Many do not want to pay the price to be a winner. It requires little effort to be a loser - and anyone who tries can be most successful. The man who sets his mind to do what is required of him in order to be a winner, will be a champion and will become a winner not only on the football field but in life itself."

Ron Chauvin

Although we lost nine games this year, the team played to the best of their ability and for this reason the players were winners and never quitters.

The season started with an Adamson victory and then 8 straight losses. At mid-season the team posted a 4-11 mark having failed to place in the 2 tournaments it entered. But Friars came back to win decisive victories over Mesquite and N. Mesquite and to re-reive a third place trophy in the K. C. tourney. Hopes for a district championship were lost after 3 opening round losses. In their last 3 games the team played superb basketball by soundly defeating Nolan, edging out Jesuit, and beating the future state champs, Dunne, to finish second in district. Pat Laue and Mike Dicarlo were named to the all district team.

All-District Pat Lane blocks shot against Skyline.

Mike Dicarlo gets two points on a fast break.

The team did manage to win a second place trophy in the Lynch tournament and won two games in district. Randy Morkel, Pat Paddock, Bob Harkey, and Mark Sansone were All-District. You Better
Montgomery

i'd like to teach the world to
sing in perfect harmony
i'd like to hold it in my arms
and keep it company
i'd like to see the world for
once waltz hand in hand in
hand
and hear them echo in the hills
for peace throughout the land ...
